CHERYL WARDER examines the books which portray the various subjects she has taken in her seventh through her senior years.

. . . In Every Way

All the way . . . In every way. From the opening day in September, 1958, we knew we had found a "home." Students coming from other high schools began this school but now it belongs to us, the "true Spartans," because we began here as seventh graders. During these six years, we took great interest in our classes and strived to achieve greater knowledge. We supported our dances with much enthusiasm and stood behind our team, win or lose. We took pride in honors and encouraged others on to higher achievements. We joined organizations as members to learn and work with others, and now in 1964, we are the leaders helping others to achieve what we have learned. Leading all the way in every way, "true Spartans" demonstrate spirit and enthusiasm in every phase of Southwestern life.

We Planned and Participated

STUCK ON THE PROBLEM, Bussie Flater, Cheryl Warder, and Virginia Arata work together on the algebra assignment.

SENIOR GIRLS gather and compare notes.

MILLIE BAKER works for speed in shorthand class.

in Everyday Events

Daily routines include stopping to chat with friends, combing your hair, stopping at the bookstore for supplies, hurrying to classes and, of course, attending the classes themselves.

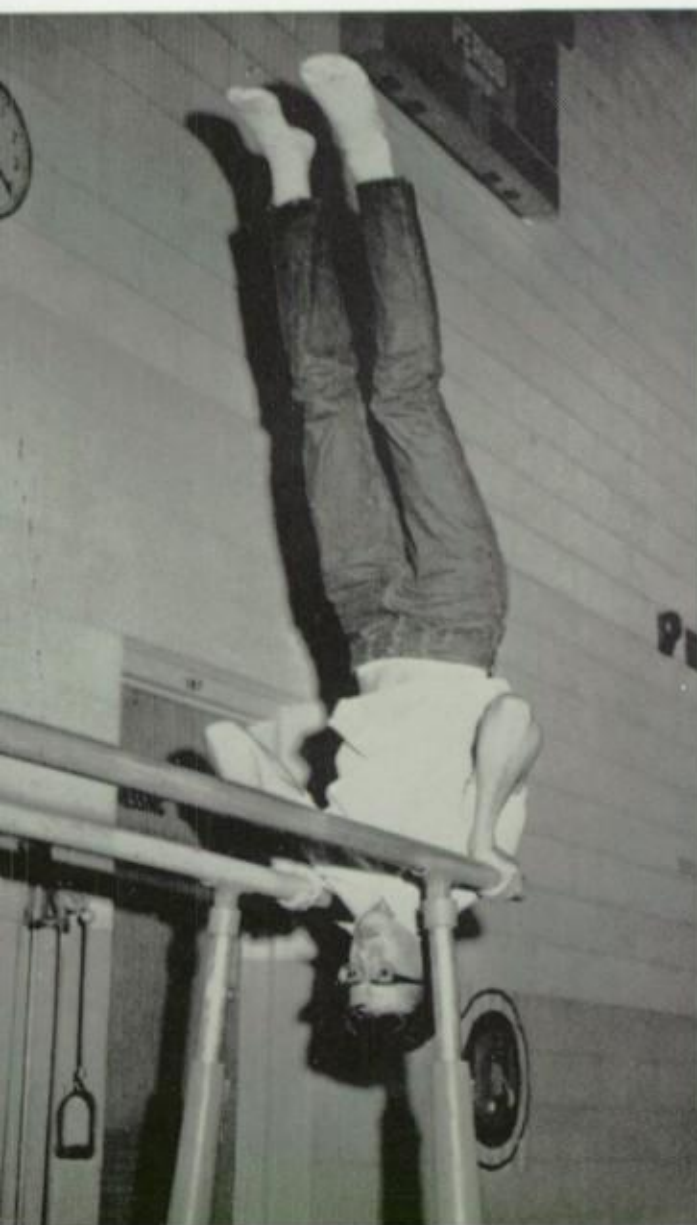

Various activities were provided for students during their noon hour. Students could play table tennis, basketball, or they could dance on the stage.

PAPER GIRLS, Brenda Bartlett and Joyce Bailey, pass out the papers on the latest scoop.

UP IN THE AIR, Kay Johns does a hand stand on the parallel bars.

TEASING HER HAIR, Cheryl Goble gets ready for her next class.

CARRYING THE MAIL, Phil Harrod works during his free period.

We Appreciated and Applauded

During the year, convocations were held for devotions, various awards, music programs, plays, and guest speakers. Teachers and students alike appreciated these breaks from classes whether they came at activities period or at any other periods during the day.

LANDSCAPING completed this year added beauty to the school grounds.

WAITING FOR CURTAIN CALL, Brenda Waddell, Kathy Mohr, Sandra Adams, Maryleah Fleener, Robert Cortel-yu, Rex VanGorden, and Dan South run over their lines for the play, "Crotchety Croomey's Christmas."

IMPORTANT PEOPLE of various careers gave special programs throughout the year.

CHARLES WETZEL

We Learned Strength of Unity Parents,

Combining efforts for a strong school, the administration, the faculty, and the parents worked to build a better Southwestern. Together they strove to develop a school that would mold strong citizens.

Mr. Wetzel, superintendent, and the school board hired teachers, appropriated money, and studied North Central Association requirements for accreditation. Mr. Wade, principal, and Mr. Donnelly, assistant principal, directed school and student activities. Teachers planned lessons, conducted classes, and supervised extracurricular organizations. Parents co-operated individually and through their organization of PTA. We are indebted to these people for a strong educational system.

ROBERT WADE

JOHN DONNELLY

DETERMINING WHAT IS BEST for the school and everyone concerned with it is the job of the school board members. Starting at left are Superintendent Wetzel, Forrest Gorrell - President, William Porter, Carl Kabrich, Mark Stanton, Carroll Muck - Secretary, and Owen Field II - Treasurer.

Academic

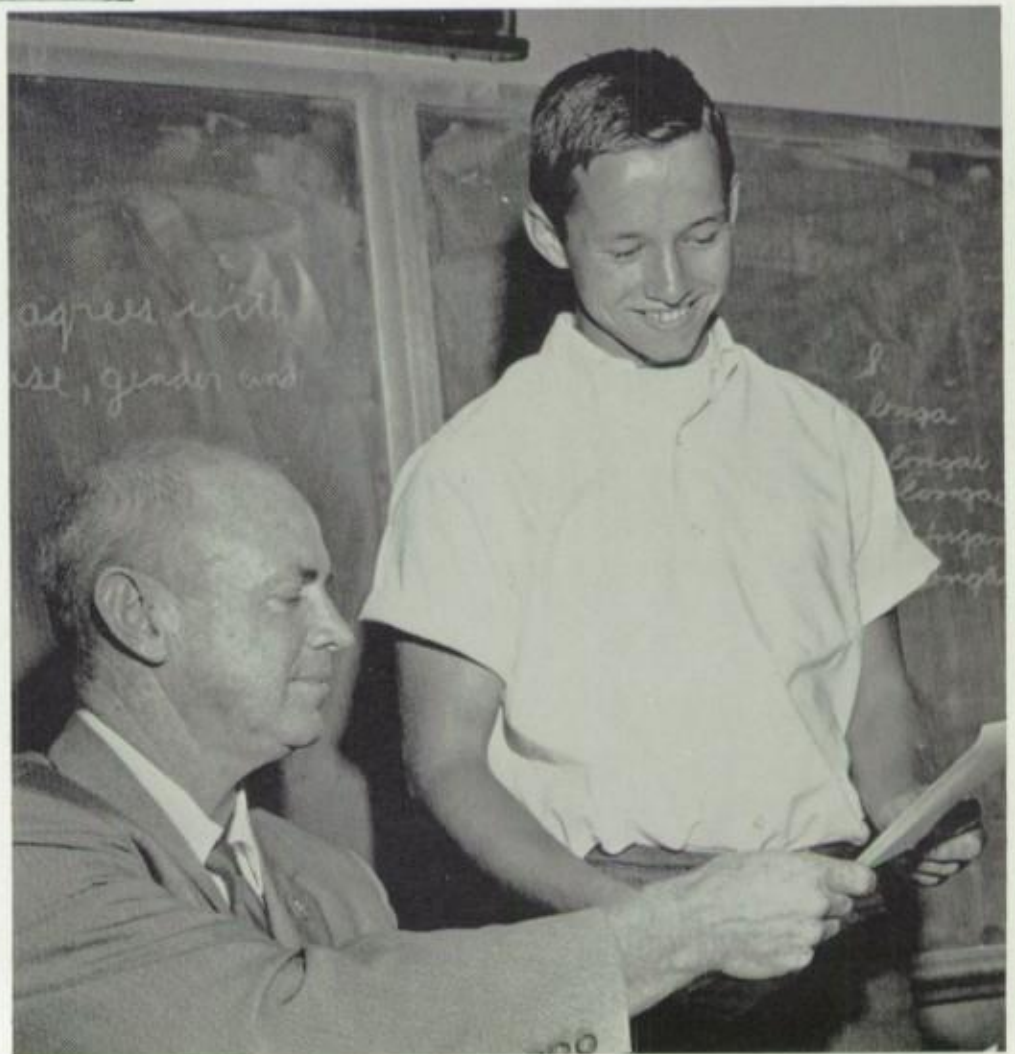

All the way in every way students studied and learned the fundamentals essential in gaining a happy, successful future. Basic classes in English, math, and science were studied. The curriculum also included courses in art, agriculture, and business to give pupils their individual preferences.

CRAMMING FOR AN EXAM is Larry Jackman at home the night before the big test.

THE TIME HAS COME for Larry to put his knowledge to use in answering the questions in front of him.

"STUDYING PAYS OFF AFTER ALL!" Larry exclaims as Mr. Gorrell shows him the results of the test.

Many things were accomplished this past year by the English and Literature Classes. A few of these things were: panel discussions, reading plays, and vocabulary study.

Mrs. Emmons taught the first semester, but then moved to Chicago and Miss Gill took her place for the second semester. Other English teachers were Mrs. Nay, Mr. Spray, and Mr. Weinantz.

MRS. NAY watches over her Freshman English class while they write out their lesson.

MABEL CHAMBERS - Latin

LARRY SPRAY - Spanish

JCL MEMBERS, Becky Eberhart and Rita Higdon repeat the Latin pledge led by Mrs. Chambers.

It's the Same – in Any Language

"BUENOS DIAS," Rex VanGorden tapes his voice on the new language laboratory earphones.

Because of a change in texts, second year Latin students read stories about two Roman boys who were going to school in Athens and the story of "Jason and the Golden Fleece." At the end of the fourth six-weeks grading period, they had completed Caesar's Helvetian Campaign.

Spanish classes were small in number this year, but this led to informal and effective instruction under the direction of Mr. Spray. The new language laboratory was a great help for listening, recording, and testing. Films, records and bulletin board displays aided in acquainting students with Spanish-speaking peoples and countries.

Sh! Quiet Zone for Students

One of the most popular places in the building is the quiet and comfortable library. Students are offered several types of literature including current magazines, newspapers, fiction and non-fiction books for reference.

QUIET! The library is the scene for many study hours and to assist the students are librarians Gwennie Jackman and Gleela Simpson.

AT CHECK-OUT COUNTER Mrs. Chambers is helping Ronnie Tennell check out a book.

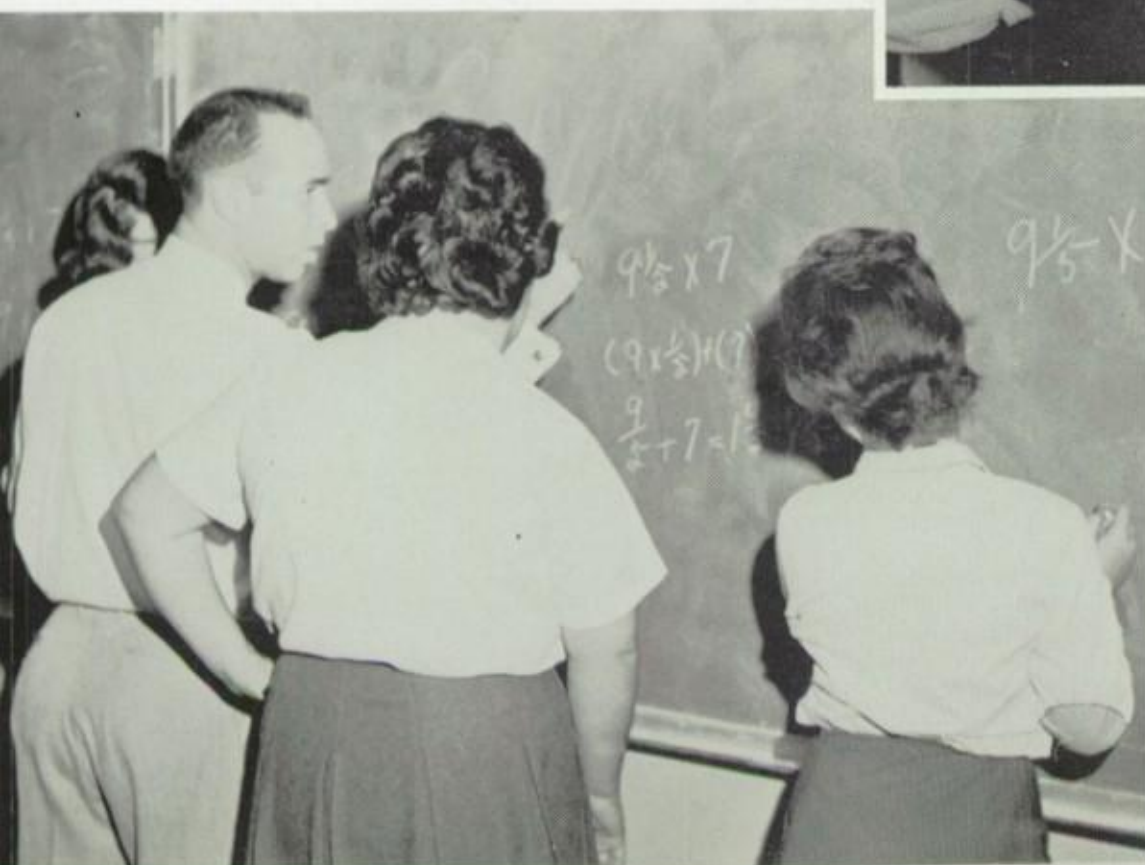

Pupils Develop Mathematical Point of View

SOLVING THE PROBLEM, Mr. Golden shows Bussie Flater and Becky Swinford the proper way to find the correct answer.

COMPARING HIS ANSWERS with the book's answers is Bob Allen during his algebra class.

MR. SPRIGGS doesn't seem to be able to convince the junior high math students that you work this problem a certain way.

Occupations

Biology students discuss the anatomy of insects and other animals. To supplement these discussions, the students dissect the insects to view the actual functioning of the parts. As another project, the students are assigned to collect and classify leaves and also to collect and mount a variety of insects. They view particles not visible to the naked eye on the microscopes.

Shield Heightens Memories

The editorial staff members of the 1964 SHIELD have spent an active year taking pictures, writing copy, and rushing to meet deadlines in order to produce this book. Much thought and hard work have gone into the organization of this SHIELD. If memories of classes, activities, fun, and all that high school may have meant to you, come alive in these pages, we feel our mission has been accomplished!

G.A.A. Adds New Activities

The G.A.A. participated in many new activities this year. Members took part in a cycle hike, sold candy, sponsored skating parties, went bowling, and played baseball after school.

Officers for G.A.A. are Joyce Bailey, President; Pam McCarty, Vice-President; Brenda Waddell, Secretary; and Bonny Swinford, Treasurer.

Under the sponsorship of Miss Marilyn Ramsey, the association established a point system to keep a record of each member's activities.

OFF AND RUNNING, the G.A.A. took a cycle hike to Hamilton's farm as one of their many fall activities.

Pupils of today who wish to become teachers of tomorrow make up the membership of the Future Teachers of America Club.

The purpose of the Future Teachers is to present the qualifications, requirements, advantages, and disadvantages of the teaching profession. During the year members of the club substitute for teachers. This gives them an idea of the many responsibilities a teacher faces.

In order to compare their club with other groups, several members attended a convention at Lawrence Central and a state convention at Ball State Teachers College.

Varsity Ends Season With 34-Point Win Over

OOPS! I GOT IT--NOW WHERE? Doug Shutt gets rebound as Gary Hamner (23) and Bussie Flater (11) stand by during the Brown Co. game.

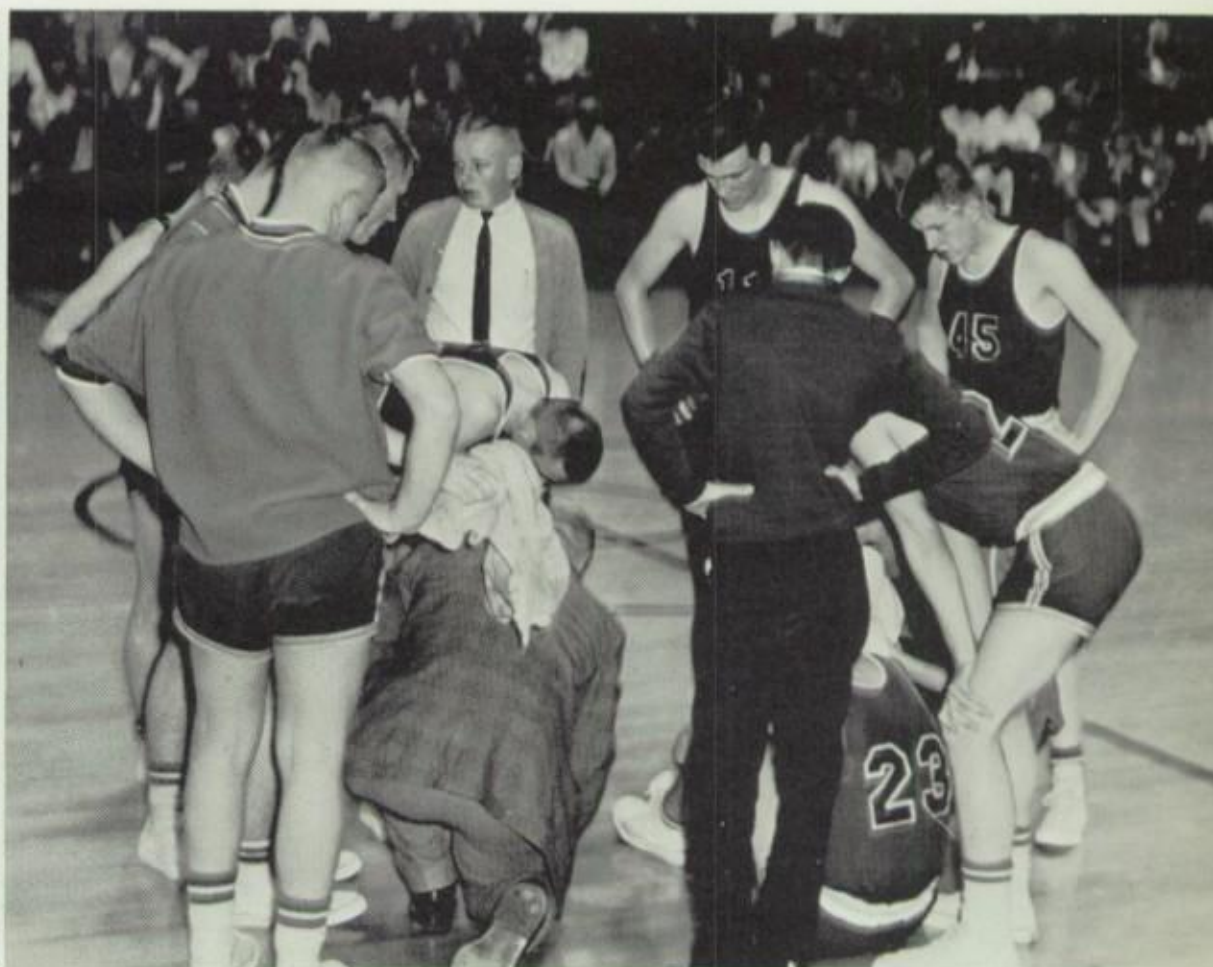

The varsity finished the regular season with an 8-11 record, then were defeated in the Columbus sectional, 69-65, by the Eagles from Brown County. The boys worked together over the season and showed much improvement. High scorers and their averages were: Bussie Flater, 16.1; Gary Hamner, 11.4; Doug Shutt, 10.6; Jeff McQueen, 9.9; and Bill Barnett, 9.1.

The leading rebounders for the team were Bussie Flater and Doug Shutt. The highlight of the season was a 79-76 win over previously undefeated Sandcreek. In that game the boys from SWHS committed only three errors. This was their lowest total of the season in this department and only the second time in Mr. Kramer's coaching career that it has happened.

Seniors graduating are Flater, McQueen, Bill Porter, Dave Hill and Maurice Pike. Returning juniors are Hamner, Shutt, Barnett, Mike Ropp, Bob Allen, and Rex VanGorden. In addition, several sophomores will be moving up to the varsity.

The reserves did a fine job this season to finish with a 10-6 mark for the season. Bob Patterson led the team in field goal percentage with 40%; Bob Allen led in free throw percentage with 65%; Rex VanGorden led in recoveries with 51 and tied Larry Coffey with 90 rebounds; and Coffey scored 189 points to lead in that department. Mr. Golden was well satisfied with the record and progress of the club. The boys outscored opponents over the season by a 695 to 654 margin.

LEADING SCORER, Larry Coffey, makes a lay-up shot during practice.

The Freshman team, due to lack of experience, finished with a 3 win and 11 loss season, but most of their losses were close ones. They improved over the season and finished undiscouraged with a big 39-23 victory over Center Grove. Van McQueen was the big scorer, finishing with over a 15 point average for the season.

IN A REBOUND SCUFFLE, Van McQueen and John Crosby struggle with a Center Grove player for the ball as Donnie Medsker stands by.

"IT'S MINE!" Kay Johns yells as he grabs for the ball from his opponent. Standing by for assistance are teammates Dwight Beall, Jerry Lollar, and Larry Tucker.

This was a rebuilding year for the cross country team. All top seven runners from last year's county championship team were either lost by graduation or by injuries. Many of the young boys received very valuable experience which should help in the years to come. Even toward the last of the season there was marked improvement in just about everyone on the team.

Baseballers Tie for Second in County

ROUNDING THIRD FOR ANOTHER RUN, Glen Amos scores in SWHS's game with Hauser.

To tie with Morristown for second place in the County record, S'western's varsity baseball team earned 3 victories and 3 defeats. A big win (25-1) over Hauser gave the Spartans a 4-3 all-season record.

After a tie game of 10 innings early in the season, Triton and SWHS played 8 more innings later. Triton came out the winner of those 18 innings 2-1 and became County Champion.

SWHS big hitters were Shutt, Hamner, and Amos who hit .387, .364, and .320 respectively.

In the pitching department, Larry Coffey carried the load with help from Barnett and Priddy. Mike Ropp went all the way for that Hauser victory.

Second places were taken by the Spartans in the Greensburg-Edinburg meet and the Whiteland-Triton-Franklin meet. Leading these victories were Butch Gorrell and Jerry Petro who earned 121 1/2 and 119 1/2 track points.

The county 880 relay team record and the shot put record were set by the SWHS team last year. Six other school records were either tied or broken by the '63 runners.

People

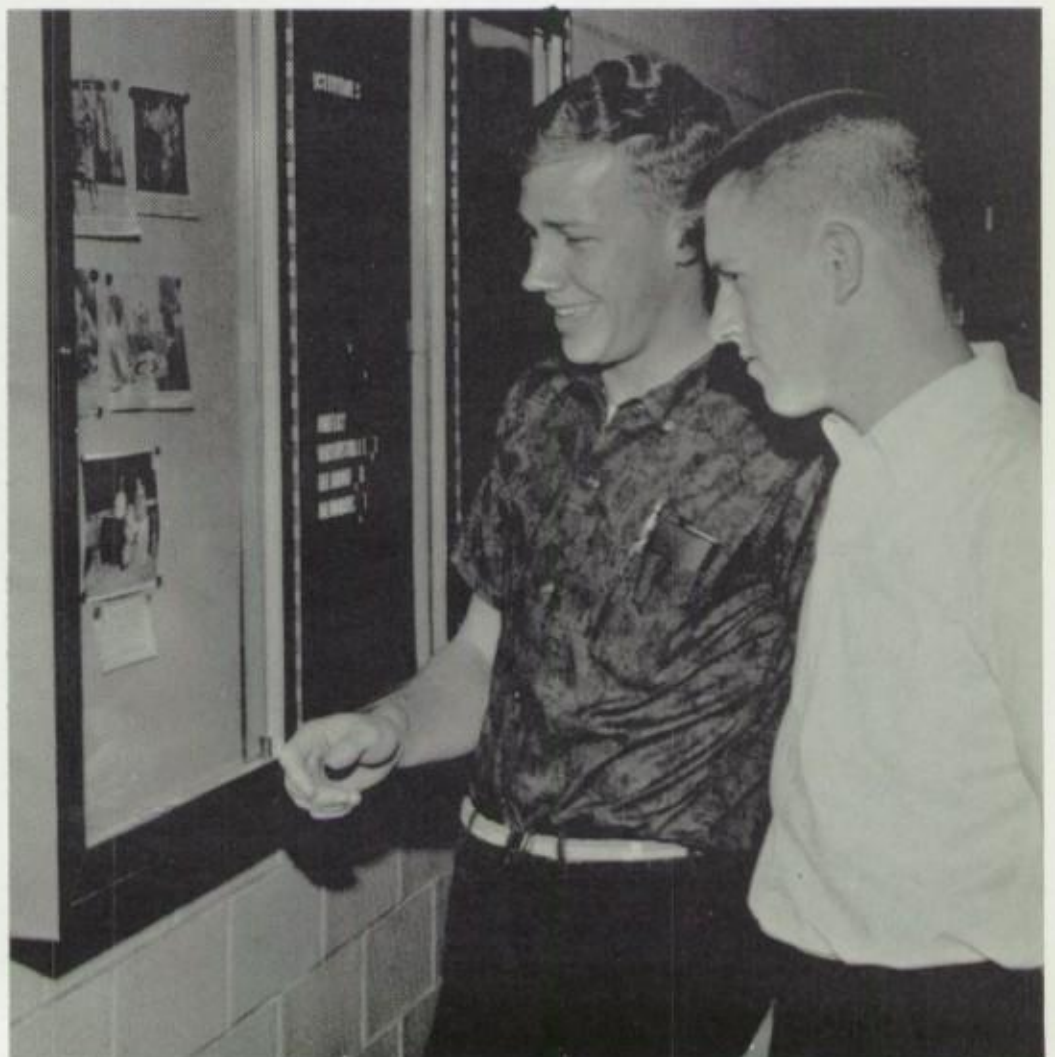

From seventh to seniors we made our way from the end of the lunch line to the front. As seventh graders we rambled through a gym which was not completed. As seniors, we look over the many changes which have taken place over the last six years. We are proud that we, as seniors, are the first class to have come all the way, seven through twelve, in every way.

BY 12:45 OVER 350 STUDENTS have passed through the SWHS lunch line.

OFFICE WORKERS this year were Jimmy Coffey and Charlotte Nay.

"CAN'T DECIDE?" Mr. Donnelly gives a few suggestions to some junior high students in the book store. Left to right are Harvey Smothers, Rickie Mays, Sandra Thurston, Kathy Krise, Phyllis Dewitt, Gloria Conover.

IN MEMORIAM TO STANLEY FLATER

I cannot say, and I will not say
That he is dead. He is just away.
With a cheery smile, and a wave of the
hand

He has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since he lingers there.
And you - oh, you, who the wildest yearn
For an old-time step, and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him still as the same, I say.
He is not dead - he is just away.

Many people in our school, in addition to the administration and faculty, keep things running smoothly. These people include our cooks, janitors, and the secretary. To them we are indebted for keeping our school functioning properly.

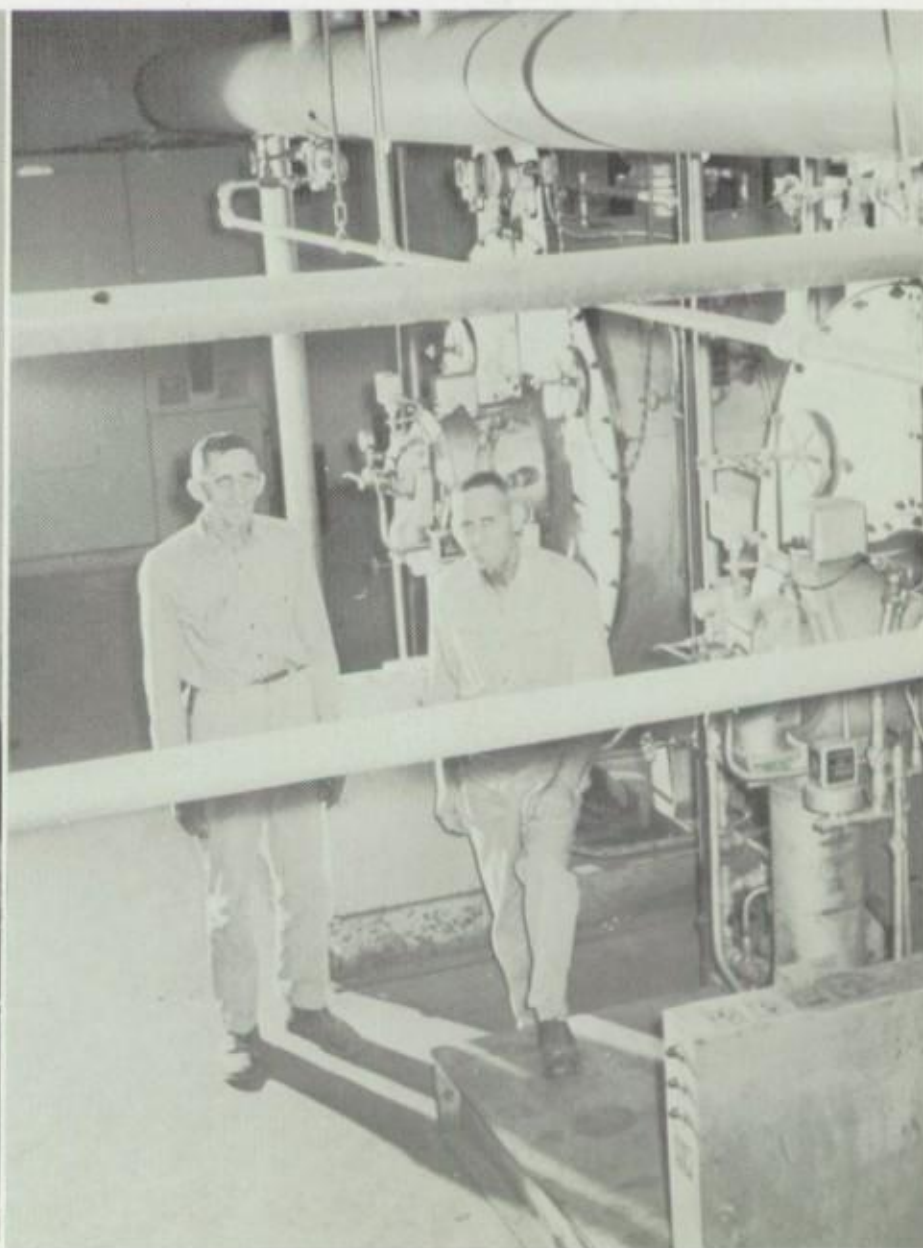

PREPARING A MEAL are Betha Wimmer, Francis Sullivan, Tressa Able, and Alma Curtis, Southwestern's cooks.

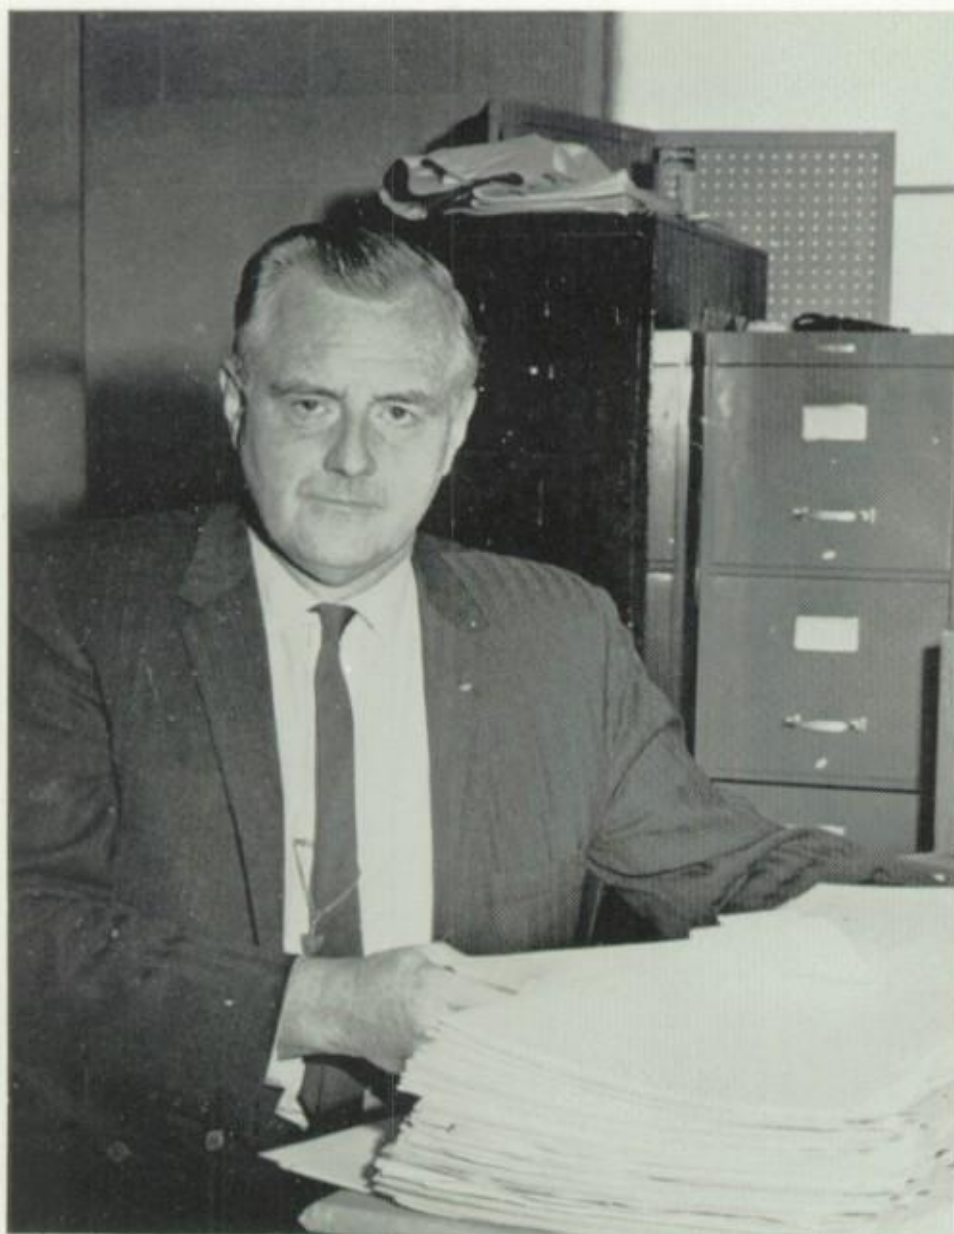

Vital Helpers Behind the Scenes

CHECKING THE FILES, is Mrs. Kendall who is the school secretary.

BESIDE THE BIG FURNACES, Walt Pruitt and Harold Petro take a short break from their busy schedule of keeping the school neat and clean.

"TOP-NOTCH ATHLETES" says Dr. Davis after checking through his reports.

ON ONE OF HER MANY CALLS, Florence Creed, the school nurse, takes equipment out of her car to conduct screening tests of the eyes and ears.

Making Sure Everyone's in School

BY MAKING HOUSE CALLS, Helena Stine catches all of the "hooky players."

BUS DRIVERS for this year were Bob Cochran, Louis Hamner, Myron Emerick, Wayne Weinantz, Robert Gore, Vernon Dunham, Earl Stillabower, and Charles Tennell.
